MOD* ELECTRONIC TOUCHLESS CASSETTE SKIN CARE DISPENSER, 1.2 LITER, WHITE

Made of high impact plastic. Housing has a cover with opaque white center and smoked translucent sides with an opaque black back. Automatically dispenses a one shot hand wash volume of soap or sanitizer when user places hand beneath the dispenser. Touchless system helps reduce the spread of dirt and germs. Uses a 1.2 liter recyclable refill. Incorporates low battery and low product lights for easier maintenance. Choice of key or push button opening. Operates on three D size alkaline batteries. One per case.

Suggested mounting height is 10" above counter or other obstruction.

When installed properly, this dispenser meets the ADA Standards for Accessible Design.

NOTE: Unless otherwise noted, suggested mounting height is the distance from the floor to the bottom of the dispenser.
