MOD* TOUCH-LESS ELECTRONIC SKIN CARE DISPENSER, 1.2 LITER, BLACK

Made of high impact plastic. Housing has a cover with opaque black center and smoked translucent sides with an opaque black back. Automatically dispenses a one shot hand wash volume of soap or sanitizer when user places hand beneath the dispenser. Touch-less system helps reduce the spread of dirt and germs. Uses a 1.2 liter recyclable refill. Incorporates low battery and low product lights for easier maintenance. Choice of key or push button opening. Operates on three D size alkaline batteries. One per case.

Suggested mounting height is 10" above counter or other obstruction.

When installed properly, this dispenser meets ADA Standard 28 CFR Part 36 (1994).
