MOD* HYGIENIC BATHROOM TISSUE DISPENSER, FAUX STAINLESS

Made of high impact plastic. Housing has a cover with opaque stainless look center and smoked translucent sides with an opaque black back. The dispenser accommodates up to 2 full and 1 partial clip of product to help reduce maintenance. No-touch dispensing is designed to reduce the risk of cross-contamination because users touch only the product they use. Features key-activated spring lock or push-button operation and a hinged front cover. Incorporates overfill mechanism to minimize tears and tabs when dispenser is overfilled. Hardware included for mounting. One per case.

Suggested mounting height is 48" above the floor.

When installed properly and used with the corresponding product, this dispenser meets the ADA Standards for Accessible Design, local rules may vary.

NOTE: Unless otherwise noted, suggested mounting height is the distance from the floor to the bottom of the dispenser.
